

Block Lane Surgery

PRINCIPALS: DR S R AKRAM & DR P DATTA

Viewing Online Medical Records

New Service on Patient Access

We can now offer the facility for patients to view online, export or print any summary information from their records relating to medications, allergies, adverse reactions and immunisations.

This facility is now available to Patients how have
‘Patient Access’

Please call 0161 620 2321 for information on how to apply for this service.
